

# CCIF Technical Webinar – December 2, 2020

## Instructions for Accessing the eModules

1. Go to [Betag North America / Effective Technical Training & Advance Equipment for Collision Repair / Learning Center](#) and click on the button marked 'CLICK HERE TO ACCESS THE BETAG LEARNING CENTER'

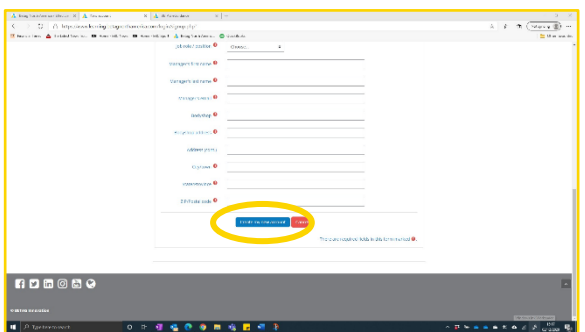

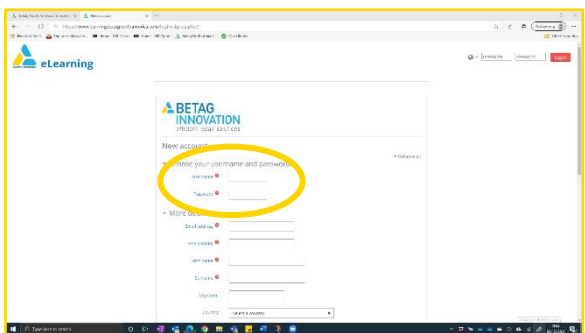

2. Click on the 'Create New Account' button

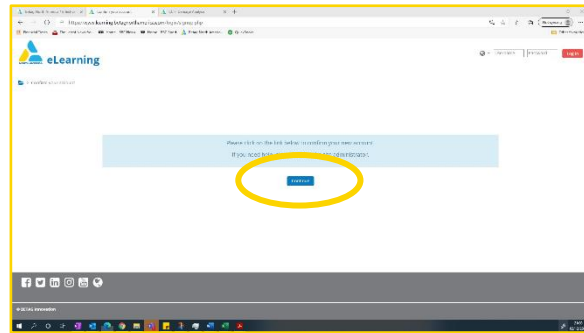

3. Enter your email address in the Username field and select your own password.

Complete the rest of the information in the form and click the 'Create My New Account' button.

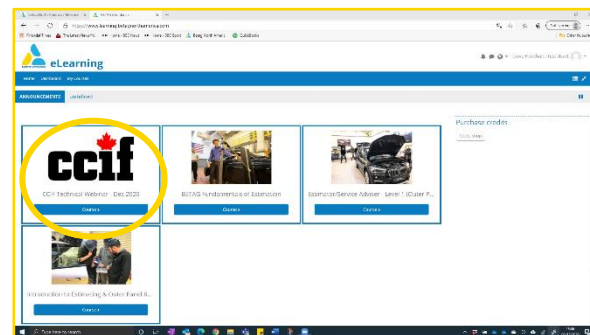

Required fields are marked with a red exclamation mark.

4. Press the 'Continue' button to confirm your new account.

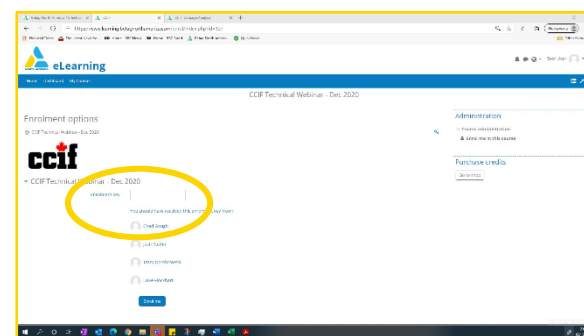

5. Once you have created your Learning Center account, click on the CCIF Technical Webinar – Dec 2020 course

6. You will then be prompted for an enrolment key.

Please enter **CCIF2020**

If you have any problems accessing the Learning Center or the CCIF Technical Webinar – Dec 2020 course, please email [hello@betagnorthamerica.com](mailto:hello@betagnorthamerica.com) for help.
